

CHURCH & OSWALDTWISTLE CRICKET CLUB

PHOTOGRAPHY & VIDEO CAMERA GUIDELINES

- Photographs / images are not to be taken at matches or training without the prior permission of the parents/carers of the children. This permission can be given by proxy by the coach of each team only after parental consent for this has been granted. The coach must arrange this prior to attending matches.
- If no consent has been given for a child on the Junior Membership Form, then it is to be made known to the relevant person of the other team (eg. Coach / Team Manager) so that the appropriate person/s taking photos for the other team is aware and can avoid taking photos of that particular child.
- Children should be informed that a person will be taking photographs.
- Children should be informed that if they have concerns they can report these to the coach or team manager.
- Concerns regarding inappropriate or intrusive photography should be reported to the Welfare Officer and recorded in the same manner as any other child protection concern.
- It is recommended that for Cricket tournaments / festivals / events / competitions a camera registration book is set up for parents to complete.

Use of images of children, (for example on the web, in the media or in Club or League handbooks)

- Ask for parental permission to use their child's image and wherever possible show the image to the parents and child in advance. This ensures that they are aware of the way the image will be used to represent cricket and the Club.
- Ask for the child's permission to use their image. This ensures that they are aware of the way the image will be used to represent cricket and the Club.
- If the cricketer is named, avoid using their photograph.
- Only use images of children in appropriate kit (training or competition), to reduce the risk of inappropriate use and to provide positive images of the children.
- Encourage the reporting of inappropriate use of images of children. If you are concerned, report your concerns to the Welfare Officer.
